from 3,096 sq ft (288 sq m)
to 3,159 sq ft (294 sq m)

All information in the layout depicts the current status of the project but may be subject to change once final approval from the authorities is obtained. Drawings are an artistic impression for marketing purposes and are not to scale.
The size, shape and position of windows, doors, ducts, columns, terraces and balconies are subject to change during final coordination. The furniture is to indicate the space available and the likely position of electrical points. It is not part of the standard fixtures.
